

TREKKING & CYCLING TOURS

Our tours are mostly addressed to small groups and families with a common interest be it cycling, walking, culture culinary or other. Trekking & Cycling guided tours are the only private tours who make combination between grotourism and culture with orientation and moto "back to nature".

All Trekking and Cycling guided tours can be combined with cultural visits in authentic mountain villages, fitness and wellness.

Whether it's a high climb, or an incredible stroll across a stunning landscape in our program there is Trekking and Cycling options for all ages experience or non-experience. Strap your boots on and prepare your self for feeling on top of the world when Trekking on to towering heights and along sublime terrains. Discover the non-touristy side of Corfu through your favorite adventure and activity Trekking or Cycling tour!! contact us for more information:
